

ALEXANDRU NECLEA

Junior Cybersecurity Specialist

Bruges, Belgium • +32 490 21 19 70 • sanduneclea@gmail.com • linkedin.com/in/alexandru-neclea

PROFESSIONAL SUMMARY

Cybersecurity student finishing my degree at HOWEST, with internship experience at CM and Orange Moldova. I like building things that actually get used - detection rules, automation workflows, security pipelines. Interested in where AI meets security. CEH certified.

PROFESSIONAL EXPERIENCE

Cybersecurity Intern | Christelijke Mutualiteiten (CM), Brussels

Feb 2026 - Ongoing

Dual-track rotation across AppSec and SOC team

- Integrated security scanning tools (SAST, SCA, container scanning) into CI/CD pipelines with automated reporting
- Developed detection rules for PowerShell-based attack techniques and validated them with purple team testing
- Created custom detection rule in Microsoft Defender for Endpoint
- Developed automation scripts to streamline security operations workflows
- Security onboarding checklists

Cybersecurity Intern | Orange Moldova, Chisinau, Moldova

Jul 2025 - Aug 2025

- Designed and implemented an n8n automation workflow adopted by the team
- Conducted security analysis of the Orange Moldova website and researched cybersecurity solutions for potential business clients

TECHNICAL SKILLS

Security Tools: Semgrep, Trivy, DefectDojo, Burp Suite

Security Operations: Microsoft Defender for Endpoint, Microsoft Purview

CI/CD & Scripting: Jenkins, Docker, Git

Infrastructure: Windows Server, Linux, Nginx/Apache, WAF

Other: PowerBI, AI-Assisted Security Tooling

EDUCATION

Bachelor of Applied Computer Science - Cyber Security Professional

Sep 2023 - June 2026

HOWEST University of Applied Sciences, Bruges, Belgium

Relevant Coursework: Network Infrastructure Security • Cyber Threat Intelligence • Practical Reverse Engineering & Malware Analysis • Network and System Pentesting • Web Pentesting Advanced • Forensic Analysis • Cryptography and Privacy Preserving Techniques

International Project - AI & Low-Code Business Development

Mar 2025

University of Economics in Katowice, Poland

- "Start your business using AI and low-code" - international collaborative project

High School Diploma

Sep 2016 - May 2023

IP LTPA "Mihail Berezovschi", Chisinau, Moldova

CERTIFICATIONS & LANGUAGES

Certifications:

Certified Ethical Hacker (CEH) - EC-Council, September 2025

TryHackMe SOC Level 1 - In Progress

Languages: Romanian (Native) • English (Full Professional Proficiency) • Russian (Limited Working Proficiency) • Dutch (Elementary Proficiency)

ADDITIONAL

Activities: Public speaking & event organization at Professional Speaker (Chisinau, Moldova)

Extra-Curricular: Tekwill Academy - Fundamental Programming (2019-2020) • Impact Academies - App Dev, Game Design, Arduino (2019-2020)

Driving License: Category B/B1
